Aleister

Description and Location
Aleister is one of my Oblivion characters, now also available as a CM Partner.
He is waiting in the Wawnet Inn. He is not meant to fit everyone's ideal of a "sexy" man.

Requirements
First you need Blackies CM Partners Mod:
http://www.tesnexus.com/downloads/file.php?id=7819
And you need Maigrets Gothic Breton Race:
http://www.tesnexus.com/downloads/file.php?id=19733

Installation
Very easy, just copy the .esp **and** the .esm into your Oblivion/Data File and activate both.

CREDITS:
Many, many thanks to Maigrets and SavageArtistry for allowing me to use the Gothic Breton Race for this mod.
Blackie for his great CM Partners Mod.
